**IRREVOCABLE OFFER TO DEDICATE TITLE IN FEE
AND DECLARATION OF RESTRICTIVE COVENANTS**

Las Tunas Beach (Haynie) Properties, Los Angeles County, California

This IRREVOCABLE OFFER TO DEDICATE TITLE IN FEE AND DECLARATION OF RESTRICTIVE COVENANTS (the "Offer and Declaration") is made this ____ day of _____, 2012, by Mountains Recreation and Conservation Authority, a local public entity established pursuant to California Government Code Sections 6500 et seq. ("the Offeror").

Pertinent Facts

- A. The Offeror is the legal owner of the fee interest in real property ("the Real Property") in the County of Los Angeles, State of California (described in Exhibit A, which is incorporated by reference and attached) and conveyed to the Offeror under the Grant Deed and the Gift Deed recorded on _____, 2012, concurrently with this offer.
- B. The Offeror is a local public entity created and existing under the laws of the State of California.
- C. The Offeror purchased the Real Property using funds from the California State Coastal Conservancy ("the Conservancy") provided under Division 21 of the California Public Resources Code for grants to public entities for the acquisition of Real Property; and under unrecorded Grant Agreement No. 12-008 ("the Grant

Agreement”) between the Offeror and the Conservancy, a copy of which is maintained in the offices of the Conservancy and the Offeror. Specifically, the Conservancy provided funds from the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 (Proposition 84; Public Resources Code §§75001, et seq., hereafter “the bond act”), adopted by the voters of California on November 7, 2006, which authorizes the acquisition of real property to protect the natural habitat values of coastal watershed lands, prevent degradation of coastal waters and watersheds and to promote public access to and enjoyment of coastal resources.

- D. The Grant Agreement requires that the Offeror permanently dedicate the Real Property for specified purposes.
- E. The Offeror is executing this offer to comply with the Grant Agreement, and to protect the public’s interest in the Real Property, which was acquired with the assistance of state funds.
- F. The Offeror intends through this offer to bind itself and its assigns and successors in interest.

The Offeror hereby irrevocably offers to dedicate fee title to the Real Property to the State of California, acting through the Conservancy, and agrees to the restrictive covenants, as follows, in light of the pertinent facts, above, and in consideration of the Conservancy’s grant to the Offeror for the acquisition of the Real Property and the preservation of the public’s interest in the Real Property.

- 1. **OFFER TO DEDICATE FEE TITLE.** The Offeror hereby irrevocably offers to dedicate fee title to the Real Property to the State of California, acting through the Conservancy.
 - a. **TERMS OF ACCEPTANCE.** The offer made by the Offeror may be accepted only if the Conservancy finds that the existence of the Offeror has terminated; or that the Offeror or its successor in interest in the Real Property has violated with respect to the Real Property, or any portion of it or interest in it, one or more of the Restrictive Covenants set forth in this Offer and Declaration.

In addition, the Conservancy may accept the offer made by the Offeror where the Real Property is under threat of condemnation or condemnation proceedings have been initiated. Condemnation means a permanent taking through the exercise of any government power (by legal proceedings or otherwise) by any party having the right of eminent domain (“condemnor”); or through a voluntary sale or transfer by the Offeror to any condemnor, either under threat of exercise of eminent domain by a condemnor or while legal proceedings for eminent domain are pending. If the Conservancy or its designee (an “accepting party”) accepts this

offer due to threat of condemnation or initiation of condemnation proceedings and receives proceeds following condemnation, the accepting party shall distribute a proportionate share to the Offeror. If an accepting party accepts the OTD due to threat or initiation of condemnation, and condemnation does not occur, then the accepting party shall reconvey the Real Property to the Offeror, unless the accepting party and the Offeror agree otherwise.

- b. **PROCESS FOR ACCEPTANCE.** Upon a finding by the Conservancy, following written notice and a reasonable opportunity to cure, that any of the restrictive covenants set forth in this Offer and Declaration has been violated; or that the existence of the Offeror has terminated for any reason prior to a transfer of the Real Property in compliance with this Offer and Declaration; or that the Real Property is under threat of condemnation or condemnation proceedings have been initiated; the Conservancy, or another public agency or a nonprofit organization designated by the Conservancy and which has agreed to accept the obligations of the Offeror under this Offer and Declaration, may accept the offer made by the Offeror in accordance with law, by recording in the Official Records of Los Angeles County a Certificate of Acceptance substantially in the form of the attached Exhibit B.
- c. **RECORDATION OF ACCEPTANCE.** The offer made by this Offer and Declaration is irrevocable, and upon recordation of an acceptance in the form of Exhibit B, this offer shall have the effect of a grant of the Real Property to the State of California or other accepting entity designated by the Conservancy having executed a substantially similar acceptance, as provided in this Offer and Declaration.

2. **DECLARATION OF RESTRICTIVE COVENANTS.** The Offeror hereby declares that the Real Property shall be held, conveyed, mortgaged, encumbered, leased, rented, used, occupied, sold and improved subject to the following restrictions:

- a. **USE OF THE REAL PROPERTY.** The Real Property shall be used solely for the purposes of preserving open space and providing public access and recreation, (collectively, the "acquisition purposes"). No use of the Real Property inconsistent with the acquisition purposes is permitted. No development, as defined in California Public Resources Code section 30106, shall be undertaken on the Real Property except that development for and in furtherance of the acquisition purposes or for prudent and reasonable open space management and stewardship (such as development necessary to address hazards or avoid of injury, or other similar activities).

The Real Property shall be used, managed, operated and maintained as provided in the Grant Agreement and consistent with the bond act.

- b. **USE OF THE REAL PROPERTY AS SECURITY FOR DEBT.** The Real Property shall not be used as security for any debt without the written approval of the Executive Officer of the Conservancy.
 - c. **TRANSFER OF THE REAL PROPERTY.** Any transfer of the Real Property, or portion of or interest in it, is subject to the prior written approval of the Executive Officer of the Conservancy. The transferee shall be subject to all provisions of this Offer and Declaration, including, without limitation, the use restrictions. If the Conservancy deems necessary, prior to the Conservancy's approval of any transfer of the Real Property, the transferee and the Conservancy shall enter into a new agreement sufficient to protect the interest of the people of California.
 - d. **MITIGATION.** The Real Property shall not be used for mitigation (in other words, to compensate for adverse changes to the environment elsewhere) without the written permission of the Executive Officer. In providing permission, the Executive Officer may require that funds generated in connection with any authorized or allowable mitigation on the Real Property will be promptly remitted to the Conservancy.
 - e. **CONDEMNATION.** If the Real Property is under threat of condemnation or condemnation proceedings have been initiated, as defined above, the Offeror shall promptly notify the Conservancy in writing, shall assert any applicable presumption regarding the use of the Real Property for the acquisition purposes as the highest and best use under Public Resources Code §5542.5(a), Code of Civil Procedure §1240.680 or any successor, subsequent or other legislation, and shall use its best efforts to obtain the maximum compensation possible. Upon receiving condemnation proceeds, the Offeror shall promptly pay to the Conservancy a percentage of the condemnation proceeds equivalent to the percentage of the total acquisition cost originally contributed by the Conservancy (100%).
 - f. **INSPECTION OF THE PROPERTY.** On reasonable prior notice to the Offeror, the Conservancy shall have the right to inspect the Real Property to ascertain compliance with this Offer and Declaration.
3. **BENEFIT AND BURDEN.** This Offer and Declaration shall run with and burden the Real Property. All obligations, terms, conditions, and restrictions imposed by this Offer and Declaration shall be deemed covenants and restrictions running with the land, shall be effective limitations on the use of the Real Property from the date of recordation of this document, and shall bind the Offeror and all its successors and assigns. This Offer and Declaration shall benefit the State of California.
4. **SUCCESSORS AND ASSIGNS.** The provisions of this Offer and Declaration shall bind and inure to the benefit of the successors and assigns of both the Offeror and the Conservancy, whether voluntary or involuntary.

5. **CONSTRUCTION OF VALIDITY.** If a court in a final determination holds any provision of the Offer and Declaration invalid, or if, for any other reason it becomes unenforceable, no other provision shall be affected.
6. **AMENDMENT.** No change in this Offer and Declaration shall be valid unless made in writing, signed by the Offeror and the Conservancy, and recorded in the official records of Los Angeles County, California.
7. **TERM.** This Offer and Declaration is irrevocable (except to the extent provided to the contrary in ¶ 2(c), above), and upon recordation of an acceptance in the form of Exhibit B, this offer shall have the effect of a grant of the Real Property to the State of California or other accepting entity designated by the Conservancy and having executed a substantially similar acceptance, as provided in this offer.

The Offeror executes this document on the date first written above.
